

NTDF 2011

WHAT IS HAPPENING DURING 2011 CONFERENCE?

We are looking forward to welcoming speakers from renowned international studios such as DreamWorks and Sony Imageworks as well as strong Nordic players like Anima Vitae, Filmkameratene, Storm Studios, Ghost and Duckling. This year we have again tried hard to focus on high end technical talks spiced up with bits of eye candy and production challenges we are confident NTDF2011 participants will find interesting.

And due to the fantastic opportunity to stay over-night at the hostel - for free - we have created the perfect networking basis.

HOW MUCH DOES IT COST?

Admission fee for 2011 conference is 1500 DKK (equivalent to 200 Euros). Also if you chose not NOT stay over-night.

The fee includes the following meals:

- Saturday morning coffee/tea/bread roll, lunch, coffee/tea/cake, dinner (excl. Drinks – these can be purchased).
- Sunday morning coffee/tea/bread roll, lunch, coffee/tea/cake.

SPECIAL 2011 PRICE FOR FIRST 10 DANISH PARTICIPANTS!

There are free admission for the first 10 Danish applicants. Sponsored by the association ANIS. Make sure you ask if the ANIS group is still an option.

WHO ATTEND THE NORDIC TD FORUM CONFERENCES?

Nordic TD Forum conferences are mainly targeting senior level/more experienced TDs and CG artists. Approx. 80% of participants will be TDs/high end CG artists. Remaining approx. 20% of participants will be financiers, directors, producers as well as promising students.

This specific split is to ensure high technical as well as creative level during all discussions.

The attending companies work within fields like feature animation, feature film VFX, commercials, animated TV-series, visualizations and games.
